# The new **Philips Voice Tracers** offer best-in-class audio quality in any recording situation.

## DVT2500/2700 for NOTES

With a digital recorder optimized for notes, you'll never lose those thoughts and ideas you have when you're on-the-go. Simple and convenient.

### 2Mic recording

The two built-in stereo microphones are designed to deliver clear voice recordings and reduce background noise, even in loud environments. High-quality recording is essential for clear playback and accurate speech recognition results.

## DVT4000 for CONVERSATIONS

Spare yourself the writing or typing and concentrate on the conversation. With a digital recorder optimized for conversations, you'll never miss a single word or key fact.

### AutoAdjust+ recording

Recording in different environments is often a challenge. AutoAdjust+ is an innovative, intelligent recording algorithm which chooses the perfect settings for each recording situation.

## DVT6000 for LECTURES & INTERVIEWS

With a digital recorder optimized for lectures and interviews, you can record the speakers even if you're at a distance from them. No more missing-out or misunderstanding.

### 3Mic AutoZoom+ recording

The innovative 3Mic AutoZoom+ technology suppresses surrounding noises, while zooming in on the speaker's voice, creating crystal clear recordings.

## DVT6500 for MUSIC

Never miss a beat with a digital recorder optimized for music. Studio-like quality, high fidelity recording and a wireless remote make recording music better than ever.

### 3Mic High-Fidelity recording

The included wireless remote control enables convenient placement of the recorder and easy operation. Start, pause, and stop recording, even from a distance of up to 10m/33ft away.

## DVT8000 for MEETINGS

Capture every meeting in excellent audio quality. Simply place the 360° meeting microphone on the table, press record and capture all speakers, from every angle.

### 360° recording

The innovative full radius meeting recorder captures everyone's ideas in excellent audio quality no matter where they are seated at the table.
